

VILCO

a spaces location 

VILCO

A modern congress center combined with the historic „Kurhaus“ is located in the middle of the Rhein-Main area. It is close to the Frankfurt Airport and is excellently connected by the motorway and tram. This space is variously usable and individually scalable for any size of an event – all with a state-of-the-art infrastructure.

Impressive: ten-meter ceiling in the „Großer Saal“.

Inspiring: a great view of the historic spa garden and the „Nidda“-river from all foyer areas.

Soothing: 180 rooms in the newly built and directly connected Dorint-Parkhotel which allows meeting and living in one place.

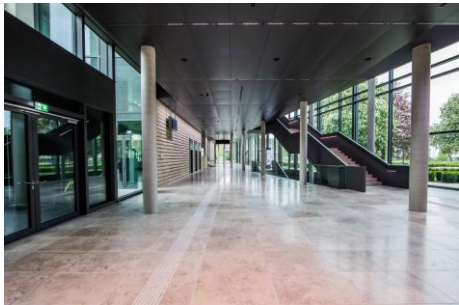

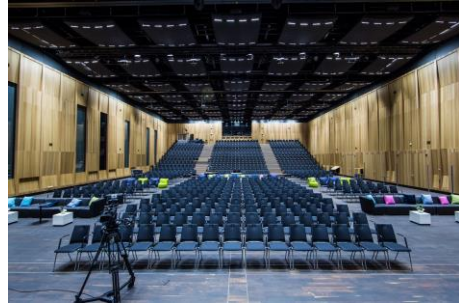

Comfortable: the 350 parking spots in the underground car park ensure a comfortable arrival and departure.

So then: Arrive, experience and stay the night at a quiet place in the heart of a vibrant region of Rhein-Main.

The metropolitan region Frankfurt is very attractive to the ones looking for event locations.
